Aloha, my name is John Mizuno and I am a candidate for State Representative, House District 30. I have worked for Representative Dennis Arakaki, the current Representative of District 30, as his Committee Clerk, and now his Office Manager and Legislative Aide.

I plan to follow Rep. Arakaki's remarkable quest to provide the best healthcare system in The country and I also champion many of Rep. Arakaki's areas of interest and will do my best to continue his great achievements in support of education, children and youth care, social programs to benefit our community, and laws which assist our elder population, caregivers, care home and adult foster home operators, and the mentally and physically disabled.

I received my Doctorate in Law from Willamette University, College of Law, in Salem, Oregon, while on a Trustees' Scholarship, a Dispute Resolution Certificate from Willamette University, and my Bachelor of Arts Degree in Sociology from the University of Hawaii at Manoa.

I have worked as a State Hearings Officer, aka Administrative Law Judge in California, for six years, presiding over thousands of cases and issuing formal decisions to affirm, reverse, or modify actions taken by the State of Hawaii.

Based on my legislative and legal work experience, my education, and steadfast commitment to helping people, I believe that I will be able to effectively address many of the concerns and issues affecting District 30, as well as the State of Hawaii.

For all of the foregoing reasons, I humbly ask for your support.
